Automated Withdrawal

## Now you can simplify and expedite your monthly giving!

Your monthly contribution to the ministry of SEND International can be made easily and economically by using SEND Direct.

This program automatically deducts a pre-authorized contribution amount from your account on the 12th of each month.

**Save money** — postage, checks and envelope costs are eliminated because your contribution is transferred automatically.

**Save time** — you won't have to write a monthly check or look for a stamp. It helps SEND cut down on administrative costs, putting more of your contribution into missionary work. It also saves SEND record-keeping and check-processing costs.

**Save worry** — the plan is convenient when you're on vacation or squeezed for time. It saves you the fear of delayed, lost or stolen checks. Your contributions are received safely and promptly.

***A receipt will be issued each December, reflecting the total amount of all gifts given in the current year.***

## You maintain control
