„ Make wide the place of your tent, and let the curtains of your house be stretched out without limit: make your cords long, and your tent-pins strong. “. (Jes 54: 3)

Dear Friends, Jesus sent us the Holy Spirit so that we may widen our hearts according to His will.

Thanks:

We are thankful for the good results (*Biblical Missiology*) of the course test in January. The students wrote it at the end of the winter semester (at the Hakka Mission Theological Seminary).

The TE& B guest workers and immigration ministry in Southeast Asia continues to develop: Currently, Thaipastor *Wongkittikhun* plans to open a new church for Thai in Changhua, 60 Vietnamese found Christ.

Taipei. For the monthly prayer group that prays for the unreached people groups in Asia. Somebody who had joined our prayer group now is for 8 month in Japan with a SEND missionary somebody else last time expressed the wish to also explore Japan for mission ministry purposes. . C. wrestles for clarity about her next steps.

Mongolian Outreach. The first Mongolian Bibles arrived, we hope this evangelistic literature in Mongolian for the *ii-Café* at the university soon, because we have new students from Mongolia! -some ordered Christian books in Mongolian should arrive soon too. It took so long because demand for Christian books was unusually strong in Mongolia. As a result they closed the internet sail option. Bibles are sent from Korea. We are happy for four new Mongolian students from Ulan Bator who are a bit shy to follow an invitation to the students fellowship at the *ii-Café*. Thanks for your prayers for the monthly pulpit ministry!

Intercession: („T“ for Thanks, „I“ for Intercession)

The translation of the Course Biblical Missiology into beautiful Chinese has almost stalled. Since our homeservice is fast approaching (June) we try to finish all still ongoing last projects. Pray for the person who wants to work on this project by finishing the translation will enjoy and succeed with it for the blessing of many by May!

At its last meeting the TE&B decided for a leadership change. The new leadership will pick up its responsibilities by 1st May. Pray for a good transition of leadership responsibilities to a three people team. New members need to be recruited and added to assure continued service and evangelistic efficiency.

Pray for the funding of various projects to serve the Vietnamese, Indonesians and Thai in Taiwan. Mrs. Chien decided to take care of the many Indonesians in their house and ordered a packet of *NURANI* magazines. Indonesians, Christians and Muslims alike love to read it the sad part is despite improvements in support, we have to deal with 3800 copies per print and are far under the current need~. Just recently again we had a request from Hong Kong for *only* (!) 500 pieces. Of course for a big city with 150,000 Indonesians these are not many, but by taking away a few from all other parcels Pastor Chang brought together enough to at least meet some of their needs. Too bad, pray for more local donors.

During 26.2.-10.3 Rita is in Manila to assist new missionaries growing into their new responsibilities in a life as missionaries on the fields with SEND International. Pray for stamina on the journey back and forth good bonding with the new missionaries originating from various nations and a blessed time of equipping before the LORD. Afterwards some will go and strengthen the church planting teams in Poland, Taiwan, Japan China, and Japan.

In the Harvest,

Alain & Rita Haudenschild
